

PgD Business Studies – SIRM

Dear Students,

This is to inform you that your **first semester result** has been announced and posted on to the Notice Boards. You are requested to visit the school to see your results.

Second semester results will be announced on Monday 9th Aug.

Those who are unsuccessful required taking **re-sit exams** from 16th August 2010 onwards. They have to either re-sit in written exam or resubmission of assignment(s), as per their result status. Re-sit timetable was announced yesterday and if don't know it please contact us. You are advised not to leave the country in August 2010 in order to take the re-sits and progress further to MBA.

Students with **outstanding fee balance** will not be able to see their results until they clear the fee balance in full. Students will be removed from the enrollment register if we do not receive the full fee balance by Friday, 13th August 2010. As the re-sit exams will start from 16th August 2010, unpaid students will have no choice but to leave the college. We would strongly recommend you to follow the guidance and make your payment as required to avoid further disappointments.

We have also observed that students are yet to submit the **progression application** for **MBA (Top Up)**. Please submit your application as soon as possible otherwise we will not be held responsible if you miss Sep 2010 intake. Please be aware that missing Sep 2010 intake means leaving the country to join February 2011 intake, which can affect your student visa. International students can not live in UK without studies according to the immigration rules.
