

Students Trip to the University of Gloucestershire

Dear Students (PgD ISA),

We are planning to conduct a trip to the University of Gloucestershire to enable you to become familiar with the university campus, facilities and their staff members so that you will know where you going and what you will be getting in future.

The university will give us a date soon for the trip, which we hope will be before the end of August 2010. We will inform you as soon as the date has been agreed.

You will also have the opportunity to ask any questions to the University faculty members about the dissertation and its procedure.

SIRM will arrange the transport (bus) for the trip at no charge to you.

We strongly urge you to make yourself available to join us for the trip as it will benefit you greatly for your dissertation.

You can view the video of our previous student trip to the University of Gloucestershire at www.sirm.ac. Just click on "SIRM Videos" and then click on "Students Visit to University".

I wish you all best of luck for future.

Steve Bispham
Principal
SIRM
